			Veronica Kung-Lumibao	<p>I am a Financial Special II in Public Works.</p> <p>Last month, our Director shared about the passing of "BETO" Guitierrez. He moved me with these words, "The hardest conversation was with Beto's mother. She spoke of his goals. . .pride in her son. . . his pride in serving the public." I may not have got all the words correct exactly, but I am thankful for our Director. . . for paying tribute to Beto.</p> <p>I have had the pleasure of being under our Director because through the pandemic, he always thought of us, his family, through weekly messages. His message is always encouraging to me and I don't think I thanked him enough.</p> <p>He is one of the reasons why I enjoy my work.</p>
